EDUCATION

Amity University Haryana   **2021-2025**
Bachelor Of Technology in Computer Science and Engineering (CGPA-7.99)   Haryana, India

Suraj School, Bawal   **2021**
Senior Secondary, CBSE (Marks Percentage-87)   Haryana, India

Suraj School, Bawal   **2019**
Secondary, CBSE (Marks Percentage-88.4)   Haryana, India

EXPERIENCE

SIEGWERK INDIA PVT LTD
(June 2024-July 2024) | On-Site
- Worked as an IT intern with the team members and worked on maintaining databases.
- Gain the experience and knowledge of Database management and MS Office Softwares.
- Maintaining and troubleshooting issues with Software and hardware.

PROJECTS

- **Heart Disease Prediction ML Model**
  (Scala, Apache Spark, Databricks, Kaggle)
  - A ML model is trained and tested that analyze and predicts heart disease with the datasets (Kaggle) of many individuals with the help of different parameters like age sex, resting bp, Fasting Blood sugar and many more and measure accuracy of model.
  - Graphical Representation of Data.
- **Portfolio Website**
  - A portfolio website is created that showcases my Information, Skills, Qualifications, Projects, Contact Info and Many Other features Using HTML,CSS,JS.
- **Diabetes Prediction Model**
  (Scala, Apache Spark, Databricks, Kaggle)
  - A ML model is trained that analyses and predicts the diabetes in the adult female of Pima Indian Heritage with the datasets of many individuals with the help of different parameters like Pregnancies, Glucose, BP, Skin Thickness, Insulin and many more.
  - Graphical representation of data.
- **Weather Website**
  - Developed a real time Weather web page to provides date, time, climate, temperature info using HTML, CSS and JavaScript and OPENWEATHERMAP API.

SKILLS

Technical Skills: C/C++, HTML, CSS, JavaScript, Bootstrap, Php, SQL
Technical Qualifications/ Frameworks: Data Structures and Algorithms, OOPs Concepts, Networking and Windows environment, XAMPP, MySQL.
Soft Skills: Teamwork, Leadership, Problem Solving Skill, Communication Skills, Quick Learner.
